

hard blow. & People are so hard
hearted. Sometimes I think that God
has surely turned his back on me
but I am trying to be faithful
may be through some of His true
Servants. some one may help me
through. But my trials are burdening
me down. For 8 years my life and my
Children's was a perfect torment and
my husband dropped all interest
and made my life miserable for ^{you} 8
and since it has been proven I
was innocent in every respect. For
the sake of my children I choked it
down and kept it secret. It is
only with God's power I kept up. But it
worked a sad spell on my oldest
daughter. She was a nervous child
from birth. She finally broke down
and had to be sent away for near a
year. and it was then that cruel
sister-in-law told she was backed
